Chronic Condition Special Needs Plans (C-SNPs)

Our C-SNP portfolio reflects a focused approach to growth, expanding into six new states (AR, CA, CO, IA, KY and WA).

These plans support members with diabetes mellitus, chronic heart failure and/or certain cardiovascular disorders through coordinated care, a dedicated personal care team, and targeted benefits to meet their everyday needs. Built on high-performing, value-based networks, C-SNPs deliver a predictable, easy-to-navigate experience that supports coordination and a more seamless care journey. Aetna's C-SNPs offer some of the most robust and focused benefits in the portfolio. Members benefit from $0 copays for PCP visits and certain specialists related to eligible chronic conditions, as well as access to over 200 Tier 1 chronic condition prescription drugs with a $0 copay at in-network pharmacies. Plus, members will have a monthly allowance on an Extra Benefits Card that can be used for OTC products — and for those with a qualifying condition who meet all criteria, it can also be used additionally for certain healthy foods, personal care products, transportation and utilities.

Dual Eligible Special Needs Plans (D-SNPs)

Aetna's D-SNPs provide coordinated care solutions for members eligible for both Medicare and Medicaid, helping reduce barriers to care and improve health outcomes through a more coordinated and connected care experience.

Through coordinated Medicare and Medicaid benefits and a dedicated personal care team, these plans bring coverage and care management together to better support the whole person. Members can count on consistent, comprehensive coverage that works with their Medicaid benefits —helping ensure access to care, medications and essential services without added complexity. Plans are designed to deliver practical, day-to-day support, including competitive prescription drug coverage with $0 Tier 1 copays, dental, vision, hearing and fitness benefits. Plus, members will have a monthly allowance on an Extra Benefits Card that can be used for OTC products — and for those with a qualifying condition who meet all criteria, it can also be used additionally for certain healthy foods, personal care products, transportation and utilities. D-SNPs with "Care" in the name offer an added monthly allowance for qualifying members who choose a High Value Provider as their PCP.
